

# St. Kevin Summer Camp

## Weekly Camp Wrap Up

Newsletter Date: June 18

What a great first week of summer camp! The campers had a great time getting to know their fellow campers. They participated in many arts and crafts, outdoor games, and water time activities. They built bridges during STEM Tuesdays and made dirt cups on Cooking Wednesdays. The 2-5 year olds were visited by the Little Farm where they were able to interact with different animals. On Thursday we had a visit from the Bubble Truck. The kids were able to play in a pile full of bubbles. We ended up the week with our color wars costume contest and group challenges. Overall a great start to the summer! We look forward to the upcoming weeks!
